## HOW TO CITE RULES AND RSMo

**RULES**—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 24, *Missouri Register*, page 27. The approved short form of citation is 24 MoReg 27.

The rules are cited in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation , i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

**RSMo**—Cite material in the RSMo by date of legislative action. The note in parentheses gives the original and amended legislative history. The Office of the Revisor of Statutes recognizes that this practice gives users a concise legislative history.

**R**ules appearing under this heading are filed under the authority granted by section 536.025, RSMo Supp. 1999. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the *Missouri* and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons and findings which support its conclusion that there is an immediate danger to the public health, safety or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

**R**ules filed as emergency rules may be effective not less than ten days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

**A**ll emergency rules must state the period during which they are in effect, and in no case can they be in effect more than 180 calendar days or 30 legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

## Title 9—DEPARTMENT OF MENTAL HEALTH Division 30—Certification Standards Chapter 4—Mental Health Programs

### EMERGENCY AMENDMENT

**9 CSR 30-4.042 Admission Criteria.** The department is amending subsection (4)(B).

*PURPOSE: This amendment establishes proposed additional criteria and procedures for admission of eligible individuals to the community psychiatric rehabilitation program.*

*EMERGENCY STATEMENT: This emergency rule is being requested in order to implement program changes that will immediately allow a significant number of Department of Mental Health clients to be admitted to the Community Psychiatric Rehabilitation (CPR) Program. These individuals are currently in need of services and supports that are not currently accessible because of programmatic limitations. Immediate enrollment will allow the State of Missouri to access federal Medicaid dollars to serve eligible clients, expand service capacity, and improve outcomes for persons with serious mental illnesses. The federal Medicaid dollars will also allow the State of Missouri to redirect general revenue funds to serve even more eligible persons in need of services who are now underserved.*

*Without this emergency rule, these clients will not be able to access needed services and supports. Therefore an emergency rule is necessary to preserve a compelling governmental interest that requires an early effective date. The scope of this rule is limited to the circumstances creating the emergency and complies with the protections extended in the *Missouri* and *United States Constitutions*. Therefore the department believes this emergency rule to be fair to all interested persons and parties under the circumstances. Emergency amendment filed June 30, 2000, effective July 11, 2000, expires February 22, 2001.*

(4) The criteria for admission to community psychiatric rehabilitation program services shall include:
